Re: Design Engineer

The Fred A. Nudd Corporation, a manufacturer for communications towers, wind towers, sub-station steel, and custom steel design is looking for a Design Engineer with the following qualifications and knowledge:

- Bachelor's or Master's Degree (Structural preferred)
- EXCEL and Microsoft Word (Required)
- AutoCAD / Inventor (A plus)
- Cad Key (A plus)
- Familiarity with LRFD, ACI, NYS & International Building Code, ANSI TIA-222-G, (Preferred)
- Familiarity with RISA Tower, RISA 3D, and MathCAD (A plus)

Please contact me directly if you have any questions.

Best Regards,

Timothy S. Wilson
